## Working with you

Patients and staff at Heatherwood Hospital near ascot can now enjoy a stunning display of plants, thanks to the hard work of volunteers from Wyeth Pharmaceuticals' HR Department.

The volunteers were guided and supported by Nurture with help from Mick Conway, Contracts Manager, they completely transformed a previously drab and neglected terrace.

Pupils at Woodcote Primary school have developed green fingers after a visit from Lynn Rees. They spent an afternoon helping 22 six and seven year olds from the schools 'Hornbeam' class, along with their teacher, Mrs Sandra farmer.

Nurture Landscapes are involved in the National Apprenticeship Service (NAS).

The NAS has been designed to increase the number of Apprenticeship opportunities and provide a dedicated, responsive service for both employers and learners.

At Nurture we are recruiting our Apprentices through Apprenticeship vacancies, an online web-based matching service.
