January 2021

Virginia Park

*'We have owned the property in Chapel Square for over 20 years and this year is the first time we have spent a lot of time on Virginia Park. We are very impressed by the state of the grounds and gardens and think they are the best we have seen them. All credit to **Wayne Pearce** and **Jane Pettett** for their excellent work, it is clear they enjoy the work they are doing. Keep up the good work!' - Keith & Anita Day, Residents*

Biodiversity at Howbery Business Park

'Great effort by **Ben Nash** and **Peter Higgs** along with **Robin Sergi**, Contract Manager at Howbery Business Park, as they on the recent dedicated time and effort to some biodiversity features including bug hotels and wood piles at the business park' – **Jon Fraser**

Critical gritting service for Covid-19 vaccination clinic's

The gritting team were called to two Oxford sites, East Oxford Health Centre and The Leys House Centre, to ensure overnight gritting carried out at the covid vaccination clinics. Our efficient response was much appreciated by the client understanding we were delivering a service at short notice for non-contracted sites during one of the busiest nights of the season.

*'Our team, including **Johnny Cantlay**, Oxford Territory Operator, really did pull it out the bag to get these sites serviced, especially knowing the importance of being Vaccine Centres' - Nik Tozer*

'Wow – this is incredible! Thank you ever so much Nik, this is really appreciated and helps with the national Covid vaccine programme. Our clients will be over the moon with this'. 😊 - Anne Wallace-Greening, Engie

Gritting Success

'We have over 4,000 live gritting sites this season. This is a great achievement given COVID and is largely due to the efforts of the gritting sales team who have won 843 new sites.

This includes 2 of the sales team who have both won over 200 sites each – CONGRATS TO THEM and the rest of the team' - Peter Fane

A late notice gritting run out of the Essex Depot for Ian Carter's team.
